

No. 59 of 2008

31 October 2008

Dear Port Users,

PHASE 4 TRAFFIC DIVERSION FOR CONSTRUCTION OF NEW MAIN GATE

- 1 We are pleased to inform you that the “IN” and “OUT” lanes of the new Jurong Port Main Gate have been substantially completed.
- 2 From 3 November 2008 (Monday), 0700 hours we will commence Phase 4 Traffic Diversion “A” (“IN” lanes), “B” (“OUT” lanes) and “C” (Direction to Jurong Port Building) in attached Appendices 1, 2 and 3 to allow for the full completion of the new Main Gate.
- 3 Traffic entering Jurong Port and the new Pass/Permits Office will be diverted to the “IN” lanes marked “A” in the attached Appendix 1. A temporary parking for trucks (marked in light green on the plan) will be created for trucks to park temporarily while awaiting the application for the short term entry pass. For application of passes/permits, passenger cars and light vehicles should park at the new Pass/Permits Office carpark. Pedestrian entering Jurong Port should use the pedestrian footpath (marked in purple on the plan) provided.
- 4 Traffic exiting Jurong Port would be diverted slightly to the “OUT” lanes marked “B” in the attached Appendix 2. Pedestrians should use the pedestrian footpath (marked in purple on the plan) provided.
- 5 Traffic entering and exiting Jurong Port Building will be diverted to the lanes marked “C” in the attached Appendix 1. Pedestrians should use the pedestrian footpath (marked in purple on the plan) provided.
- 6 We sincerely appreciate your understanding and cooperation to ensure a smooth flow of traffic during the period of construction.
- 7 If you have any inquiries in this regard, please contact:
 - i. Pass/Permits Office at 66609563 or
 - ii. Customer Service Hotline (Office Hour) at 64139600

Thank you.
