Dear Sirs,

NOTIFICATION OF LIGHTER FLEET CHANGES FOR REGISTRATION AND BILLING PURPOSES

1. We would like to bring your attention with regards to the following on-going requirements with regards to vessels operating to and from Penjuru Terminal (PLT).
 - a. All lighter boat companies operating from PLT should inform Penjuru Terminal in writing via email (email: plt@jp.com.sg) or fax (fax number: 6316 2072) if there are any changes to the list/ detail of vessels calling at PLT;
 - b. Changes include, but are not limited to, acquisition of new lighter/s, sale of lighter/s, change of ownership of lighter/s and change of billing detail/s;
 - c. Please note that until the sent notification is acknowledged and approved by JPPL, no notification will be deemed to have been made.
2. Please also note that no credit notes will be issued in the event that the cause of an inaccurate billing is due to non-compliance with these requirements.
1. With regards to the above mentioned subject, PLT staff communicated with the lighter boat companies earlier this month, on 16 April 2012, to update the fleet of lighters operating from PLT (ref: ST/LT/PLT/160412/01/ck/CH). The list of lighter boat companies that have updated their fleet of lighters with PLT is attached in the appendix with this circular for your reference.
