No. 12 of 2013

25 March 2013

To: Lighter and OPL Boat Operators

Dear Sirs,

INFORMATION SESSION ON CONSTRUCTION OF JETTY BY OIL STATES INDUSTRIES

1. Oil States Industries (OSI) is planning to construct a jetty on its waterfront facility located at 42H Penjuru Road, which is adjacent to Penjuru Terminal.
2. With regards to this, OSI will be conducting a presentation **in English** to lighter and OPL boat operators on 1 April 2013 at 3p.m.
3. The objective of the session is for OSI to highlight the proposed jetty construction and operation. There will be a Q&A session after the presentation by OSI.
4. The presentation will be held at the Anchorage Room of Jurong Port Admin Building, which is located at 37 Jurong Port Road, Singapore 619110.
5. It is strongly recommended that your company is represented at this session.
6. Please register your attendance by email to LT_ops@jp.com.sg by 29 March 2013.

Thank you.
