No.05 of 2014

22 January 2014

Dear Sirs,

**SERVICING OF 6.6KV SWITCHGEAR AT JURONG PORT SUBSTATION
(REMINDER)**

1. Our circular dated 27 December 2013 (No.54 of 2013) refers.
2. Please be informed that the servicing of the switchgear is confirmed as per the schedule for January and March 2014.
3. In addition, please note that power supply to the diesel pump station at PDL is not available on 25th Jan 2014 (Sat) from 0800 hours to 1800 hours and on other days from 0800 hours to 1800 hours where there is switchgear servicing as indicated in the schedule. During these periods, please use the pump station at the mainland.
4. Please contact JP Customer Service by e-mail at jpcss@jp.com.sg should you have any queries.

Thank you.
