Dear Port Users

Removal of Quay Cranes at berth J25

1. This is to inform port users that Jurong Port is in the process of removing 4 decommissioned quay cranes at berth J25. The entire removal work will commence from 30 July 2014 and is expected to complete by 31 October 2014.
2. The area affected is berth J25 (Wharf Mark WM740 to WM919).
3. During the removal process, the quay crane will be in boom down position. No vessel shall be allowed to berth alongside berth J25 or to come within the berth box of 60m by 180m of berth J25.
4. The location of our berth J25 is demarcated in red in the attached map.

Thank you.
