No.48 of 2015

29 Dec 2015

Dear Port Users

### **Clearance at Jurong Port Main Gate (JPMG) Out Lanes**

To ensure no longer wait than necessary for cargo clearances, please ensure that your consignments and their relevant valid cargo clearance permits are presented to the JPMG Out Lane checkpoint officers together with supporting documents such as commercial invoices, packing lists, bills of lading and any other trade supporting documents for verification.

If your consignment involves partial clearance, the same permit together with the same supporting documents must be produced during each clearance until the whole consignment is completely cleared.

Inspections will continue to be carried out by checkpoint officers against the items declared in the presented cargo clearance permits.

Should you have any queries regarding cargo clearances at JPMG, please contact the JPMG ICA Duty Officer at Tel: 6267 5003.

Thank you

Erwin Chan
