No.37 of 2016

15 August 2016

Dear Port Users

Jurong Port Business Continuity Planning (BCP) Exercise

1. Please be informed that Jurong Port (JP) will be carrying out a BCP exercise on **27th August 2016**. The objective of the exercise is to test the Port's emergency response and recovery procedures.
2. Traffics in and out of Jurong Port via the Pulau Damar Laut (PDL) causeway (refer to Annex A) may be interrupted from **11am to 1pm** for the purpose of exercise simulation.
3. During the exercise, vehicles traveling along the Pulau Damar Laut (PDL) causeway may be directed to the respective holding areas (refer to Annex A) while waiting for specific movement orders from Jurong Port staff. Subsequently, vehicles will be allowed to travel to the designated operational areas in and out of PDL in a guided manner.
4. Please work with your customers/agents/shippers or consignees (where applicable) to make any necessary arrangements.
5. For further clarifications, you may contact JP Customer Service at 64139600 or e-mail to jpcss@jp.com.sg.

Thank you.

Yours faithfully,

Chia Wee Siong, Alvan
Manager, Enterprise Risk Management
