To: All Port Users

Dear Sirs

RE: SUSPENSION OF LICENCE OF GENERAL CARGO STEVEDORING COMPANY

We wish to inform all Port Users that the stevedoring licence of a general cargo stevedoring company has been suspended and put on Safety Improvement Plan for a duration of no less than 3 months. This is due to the accumulation by that stevedoring company of more than 24 demerit points over a continuous period of 24 months.

Please find attached the current list (the “List”) of General Cargo stevedoring companies with valid licenses issued by Jurong Port – the List will be updated from time to time and made available on JP’s website. If you are using the services of any stevedoring company, you should verify the validity of its stevedoring licence through JP’s website.

We strongly urge all port users to comply with all relevant regulations in order to operate in Jurong Port, including the Jurong Port General Rules and Regulations which are available for download on JP-Online.

Yours faithfully,

Samuel Siew
