

No.28 of 2019

15 May 2019

To: Singapore Ship Supply and Ship Chandling Community
Lighter Boat Community

Dear Port Users

New landing platform at Penjuru Terminal

1. Penjuru Terminal has installed a new landing platform for embarking/disembarking of the boat crew to enhance the safety in the terminal.

2. When using the platform, please ensure that the below PPE/procedure is strictly adhere to:
 - Life jacket
 - Safety helmet w/chip-strap
 - Safety shoes
 - Only embark or disembark from a stationary boat
3. The existing cat ladders located along the jetty shall only be used in emergency. Disciplinary action will be taken against infringers.
4. Kindly disseminate the said information to your respective contractors/service provider.
